BUSINESS ADMINISTRATION & IT · AI AGENT DEVELOPER

Copenhagen, Denmark · +45 29 36 29 92 · andersadalberth@gmail.com · linkedin.com/in/anders-adalberth-andersen · github.com/aaandersen

PROFILE

Business Administration & IT graduate (CBS) and Technology Specialist at Microsoft AI, specialising in developing and orchestrating AI agents. I help non-technical citizen developers turn Microsoft Copilot into real, lasting business value — pairing business understanding and analytical rigour with hands-on engineering.

EXPERIENCE

Technology Specialist (Intern), Microsoft AI Aug 2025 – Present · Copenhagen

- › Support customers in adopting AI & Microsoft Copilot, with a focus on agents and citizen development.
- › Design, build and orchestrate custom agents (Copilot Studio, M365 Agents SDK, MCP) — grounded, governed and measurable.
- › Instrument agents with usage analytics so impact is judged on actionable metrics, not vanity numbers.

Content Creator, TMC Nordic Oct 2024 – Present

- › Produce digital content and SEO strategy to grow the brand's online presence.

Earlier: Substitute Teacher (Rødovre School) · Content Creator (Trendhim, EASIS A/S) · Operator (Danish Patient Safety Authority) 2021 – 2024

SELECTED PROJECTS

Bachelor thesis — Citizen Development of AI Agents at Carlsberg with Microsoft

- › Qualitative single-case study (15 informants, 17 interviews) bridging Kotter's change theory with affordance theory.

AI Usage Tracker — aiusagetracker.org Azure SWA · Functions · Entra ID

- › Full-stack analytics dashboard for AI & Copilot usage across an organisation, with a built-in chat agent.

The AI Cockpit — aicockpit.org React · MCP server · SWA auth

- › Platform to surface, vote on and prioritise AI use-cases & agent ideas — turning enthusiasm into a pipeline.

EDUCATION

MSc, IT Management & Business Economics, Copenhagen Business School 2026 – present

BSc, Business Administration & Information Technology — HA(it.), CBS 2023 – 2026

- › Organisational theory · accounting · finance · micro/macroeconomics · programming (SQL, JavaScript, HTML/CSS) · IT project management.

HTX — Mathematics A, Programming B, NEXT Sukkertoppen 2018 – 2021
